University of New Hampshire InterOperability Laboratory

HighTech Bound Application

Instructions

IMPORTANT: The only way to apply for the UNH-IOL HighTech Bound internship program is to complete the online application form. This document is intended to help applicants prepare to complete the online questionnaire. We **do not** accept paper applications by postal mail.

This application collects information about your academic and work experience, and it also asks some questions about your goals, interests, and why you want to participate in our internship program.

Information that you should have on hand before you start:

- Your GPA (Grade Point Average)
- Classes you've taken in high school, with grades
- Contact information for a previous employer (if you have prior work experience)
- Contact information for two personal references

Questions marked with a red asterisk (*) are required.

Personal Information

First Name *	
Last Name *	
Email Address *	
Address Line 1 *	
Address Line 2	
City *	
State/Province/Region	
Zip or Postal Code	
Country *	
Home Phone	
Will you be 18 years of age or older by July 7th, 2025? *	◯ Yes ◯ No

Academic Information

High School *	
Current Enrollment Status *	*Please select the grade you are in right now.* ◯ Sophomore ◯ Junior ◯ Senior ◯ College Freshman
Your GPA *	
Your School's Maximum GPA *	
Are you available to work 30-40 hours a week between July 7th and August 7th? *	◯ Yes ◯ No
Projected field(s) of study	

Colleges

Employer Name	
Employer Email	
Job Title	
Phone Number	
Address	
Reason for Leaving	

Short Answer Questions

Please answer the following questions in your own words. We want to know a little bit more about what makes you excited about technology and engineering and what you hope to gain from the internship.

Answers should be well-thought-out and free from grammar and spelling errors.

Why do you want to participate in the HighTech Bound internship?	
How will this internship support your college/career goals?	

What interests you in technology or engineering?
